

# INSTRUCTIONS

This notice is provided to you to assist you in the risk management of your organisation. As part of your duty of care it is necessary to ensure that members and participants are aware that they are undertaking an activity which is risky and that injury and in some cases even death can occur. For this reason the following protocols are to be followed.

## MEMBERSHIP

All members of your Association or Club are required on joining or renewing their membership to sign the liability waiver form. It is suggested that this could be attached to the back of your membership application form

## EVENTS AND COMPETITION

1. A risk warning sign must be displayed at the entrance or entrances of the activity, event or competition in the form attached.
2. All non members must sign the waiver before participating in any activity, event or competition.
3. Where possible the activity, event or competition rules should be clearly displayed

## NOTE

When preparing the Liability Waiver Form and Risk Warning Sign the description of Recreational Services supplied should be identical. The description of your Recreational Services should be a short statement that defines the activities, event or competition being undertaken. For example: Horse show, Trail ride, Gymkhana, Abseiling, Bush Walking etc.

In Victoria a separate form required by section 97A Goods Act must be used in addition to the Liability Waiver Form.

*Recreational Activities* are activities undertaken for the purpose of recreation, enjoyment or leisure which involves a significant degree of physical risk.

Specific legislation in all States has been passed and reference is made to:

- Civil Liability Act 2002 NSW
- Civil Liability Amendment Act 2003 WA
- Recreational Services Limitation of Liability Act 2002 SA
- Consumer Affairs and Fair Trading Act NT
- Fair Trading Act 1987 WA
- Civil Liability Act 2003 QLD
- Trade Practices Act Commonwealth

It is important to understand that there are two types of Law. One is in Contract and the other is in Tort (Civil Liability). The legislative changes in all State's and Territories reflect a change in community attitudes that people must take more responsibility for their own actions.

Part of your risk management plan must be to inform your members and participants what is required of them and what protocols are in place to minimise their exposure to risk and injury
